2. The Board shall work with other school boards in the state, other local officials, and community groups in creating public awareness and support for legislative priorities;

3. The Board shall annually select one (1) of its members to serve as its legislative representative;

4. The Board shall work with its legislative representative, TSBA, and other concerned groups in developing an annual legislative program; and

5. The Board shall include in its budget appropriate resources to cover costs, including travel expenses, necessary to ensure active participation in the legislative process.
