

Millington Municipal Schools
5020 Second Ave
Millington, TN 38053

*James E. Griffin
Superintendent*

Parents,

The Tennessee Department of Education, in conjunction with the United States Department of Education, is requiring that Millington Municipal Schools students enrolled in tested grades/courses complete the TCAP assessment. Our testing window will open April 12, 2021. Each Millington Municipal School is striving for a minimum of an 80% participation rate, including both in-person and virtual students. Due to the nature of testing security, virtual students will be required to come to their school campus on assigned testing days.

The safety of our students and staff is our highest priority. Our schools' daily testing schedules will look a bit different in order to follow the necessary safety protocols. In addition, nontraditional testing spaces may be used to meet the social distancing requirements. Mask-wearing will be required. Please stay tuned to your child's school communication outlets as schedules, procedures, and FAQs are forthcoming from each of our campuses.

We have navigated many new situations this academic year. Thank you for your continued understanding and support as we work to meet state testing requirements. Here's to a safe and healthy fourth quarter!

Sincerely,

James E. Griffin
Superintendent
