General Notes:

- Age Group**
☐ 2-5 years ☒ 5-12 years ☐ 12-17 years
- The Americans with Disabilities Act (ADA) may require playground equipment to be accessible to children with disabilities when viewed in its entirety. Please consult your local health department to determine if the ADA applies to your facility.
 - Accessible surfacing must be utilized in applicable areas.
 - Although a particular playground design may not meet the requirements of the ADA, the design may be modified to meet the appropriate number of ground level events, the actual playground may be in compliance when considering the design.
 - All deck heights are measured from top of ground cover.
 - Fall absorbing ground cover is required under and around the equipment.
 - The minimum recommended fall zone around the entire play structure is shown. This zone is to be free of all obstacles (e.g., rocks, roots, border material, etc.).
 - All post lengths are identified by text showing the post height.
 - Not all equipment may be appropriate for all children. Supervision is required.
