## School Plan for Shared Student Success

### What is it?

This is a plan that describes how Millington Intermediate will provide opportunities to improve family engagement to support student learning. Millington Intermediate values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Millington Intermediate will support family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

### How is it revised?

Millington Intermediate invited families to attend a parent advisory committee meeting last spring to review and revise this family engagement policy, as well as the school improvement plan, and our school-home compact. Additionally, family input and comments regarding this plan are welcome during the school year. All feedback received during the year will be used to revise the plan for the next school year. The plan is posted on our school website for families to view. We also provide an annual survey to ask parents for their suggestions on the plan and the use of funds for family engagement. Families can also give feedback during several meetings and activities during the school year.

### Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Millington Intermediate will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

### Where is it available?

The plan will be posted on the school website and social media. Families can also retrieve a copy of the plan in the front office of the school.

### What is Title I?

Millington Intermediate is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

**When students, schools, families,  
and communities come together –  
we CAN achieve our goals!**

## 2023-24 District Goals

All schools in the district will increase the percentage of students who Meet or Exceed Expectations as measured by the TNReady assessment.

## 2023-24 Millington Intermediate Goals

In the 2023-2024 school year, Millington Intermediate School will strive for a level 3 TVAAS score or higher and maintain strong AMO (Annual Measurable Objective) targets in all categories.

## Parent and Family Engagement

Millington Intermediate believes that family engagement means the participation of parents and family members in regular two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education at school.
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

## School-Home Compacts

As part of this plan, Millington Intermediate and our families will develop a school-home compact. A compact is a written agreement that families, teachers, and students jointly develop to explain how everyone will work together to ensure all students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from families, students, and teachers. The school-home compacts are shared with parents during parent-teacher conferences and posted on our school website. If you would like to provide feedback on the compact any time during the year, please contact Kelly Cline at (901)873-8130 or [kcline@millingtonschools.org](mailto:kcline@millingtonschools.org).

## Family Engagement Standards

Millington Intermediate and our families have adopted the following standards for Family-School Partnerships as the school's model in engaging parents, students, and the community. These standards are:

1. Welcoming All Families
2. Communicating Effectively
3. Supporting Student Success
4. Speaking Up for Every Child
5. Sharing Power
6. Collaborating with Community

# Millington Intermediate is Branching Out!

Millington Intermediate is committed to helping parents and family members attend the family events listed in this policy. Please call or email us if you need assistance with childcare or transportation in order to participate in any of our programs.

Millington Intermediate will take the following measures to empower and support parents and family members as an important foundation of our school in order to strengthen the school and reach our goals.

We will:

- ❖ Ensure that all information related to school and family programs, meetings, and other activities is published in both English and Spanish, posted on the school website; and included in the weekly school callout for all families.
- ❖ Provide trainings for staff on strategies to improve communication with families and ideas to increase family engagement in reading and math for our students outside of the classroom.
- ❖ Partner with early childhood programs, middle and high schools, college and career ready resources or organizations, parent resource centers, or other programs (as applicable) to help prepare parents and their children for successful school transitioning.
- ❖ Share information in English and Spanish on the school website and in the school communications for families to understand the school's academic standards and assessments as well as the ways families can monitor their child's progress and work with educators.
- ❖ Communicate with all families and the community on a regular basis regarding schoolwide events and activities, through phone messages, our website, social media, and flyers.
- ❖ Work with our families to develop relevant trainings and helpful presentations to educate our staff on the importance of parent and family engagement and how to support student learning.
- ❖ Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's achievement.
- ❖ Collect feedback from parents and family members at all events, place input cards around the building and a post suggestion form on the school website in order to respond to parents' requests for additional support for parent and family engagement activities.
