

Coca-Cola Give Program

We're excited to share that our school is part of the Coca-Cola Give program. This opens up Millington Middle School to new funding opportunities to help expand the STEM program for our students.

The best part? Donations don't come out of your own pocket. **When you make Coca-Cola product purchases, you simply enter the product codes here:**

<https://us.coca-cola.com/give/schools/> and our school receives a donation.

Product codes can be found under the plastic lid or inside boxes of participating Coca-Cola products. Be sure to look for codes on the following products: Coca-Cola, Dasani, Minute Maid, Fanta, Powerade, Nestea, etc.

Please help Millington Middle School make the most of this program by **entering your codes on-line or sending them to school with your child**. Codes can be turned in to the following teachers:

6th Grade – Ms. Baker
7th Grade – Mrs. Smith
8th Grade – Mr. Sanders

Your support in this fundraiser is greatly appreciated!
