2 A student shall not engage in conduct which causes the disruption or interference with the operation of
3 the school while on school property, in school vehicles or buses, or at school-sponsored events,
4 whether on or off campus. The student shall not urge other students to engage in such conduct.

5 Employees are authorized to take reasonable measures to establish appropriate school behavior and
6 have the authority to control the conduct of any student while under the supervision of the school
7 district.¹

8 A student may receive disciplinary action ranging from verbal reprimand to suspension and/or expulsion
9 depending on the severity of the offense and the student's prior record.²

10 REMOVAL OF STUDENT¹

11 If a student repeatedly or substantially interferes with the learning environment, the teacher may
12 submit a written request along with the required documentation to the principal/designee to remove the
13 student from the teacher's classroom. The student will be given notice of the rationale for the request
14 as well as the opportunity to offer an explanation.

15 The principal/designee will investigate the request and make a decision regarding the student's
16 placement. The principal will notify the teacher as to his/her decision.

17 If a teacher abuses or overuses the student removal process, the principal/designee shall address the
18 abuse or overuse with the teacher and may require the teacher to complete additional professional
19 development to improve the teacher's classroom management skills.

20 Appeal Process

21 If the teacher's request for removal is denied, he/she may file an appeal with the Director of
22 Schools/designee. He/she will review the teacher's request for removal as well as the decision of the
23 principal/designee and make a determination as to the student's placement.
